DRAW THE CITY

(According to the following instructions, turn the page and draw the city)

DESCRIPTION OF THE CITY THAT YOU HAVE TO DRAW:

- It is a futuristic city. At the top of the picture, you can see four little flying cars. It's cloudy and rainy but these flying cars are prepared for all kinds of weather conditions.*
- At the bottom of the picture there is a garden. In the garden there are four beautiful roses and three palm trees.*
- In the middle of the picture there are four buildings: the first building is very modern, it is made of glass; the second building has got only two floors; the third building has eight windows and the fourth building is a vertical garden (it means that plants and trees grow from its walls).*
- On the left there is a robot dog. It is small and it has big eyes.*
- To the right of the robot dog there is a fountain. It doesn't have any water, it has orange juice. When little children are thirsty, they can drink fresh orange juice.*
- On the right side there is a tall woman and she is walking her robot dog. Her dog is dark and big.*
- Next to the woman there is a flying public bus. It has two wings. The bus driver looks very happy. Under the bus there is a robot mouse, it is scared of the robot dogs.*
